## Toastmaster meeting notes from 8-12-13

---

Great speeches today. Eric Croomes was a great Toastmaster; very organized and engaging.

Lynn gave an award winning speech titled "Moral Dilemmas". She presented on a tough subject and really did an excellent job. Shelley's speech, "The Power of Stories" was also very good. She had some powerful, thought provoking points. Deborah is sporting her new look, but she keeps cranking out the speeches. I'm not sure how she does it, but her off the cuff speech "Believing Makes it Happen" was excellent, as usual. I'm always very impressed with everyone's speeches. I think we have a very talented group.

Larry oversaw some really good evaluations by John Miller, Denise and Autumn. Those of us that attended know that Autumn has a tattoo and what it says!

I don't know what's happening in the picture below, but it looks like trouble.

Here's the schedule for next week. Athena won't be there and neither will I, so those roles are not correct.
